Planning for Renaissance

Statement from the committee - 12/04/2010

Delivered by John Ewer

In the light of the situation after the AGM, it was agreed that the committee would consider the future of the society at the earliest opportunity. This we have done. The Trustees have decided that because we do not have a complete committee, the society will fold at the end of the year. A special general meeting will be called in due course to deal with the matter of winding up and the application of assets.
