

Tyndale Choral Society

Planning for Renaissance

Update from the committee - 28/06/2010

Delivered by John Ewer and John Hicks

A plan is now in place to secure the future of the Society.

First, the committee wishes to thank John Ewer for his leadership and guidance, steering the Society successfully through one of the most difficult periods in its history. In recognition, it has been proposed that John should be appointed President for 2011.

The committee proposes that members should, in a General Meeting, adopt changes to the rules of the Society to enable it to be more efficiently managed. These changes will include:

- an increase in the number of officers from three to four
- reconsideration of the number of committee members and the quorum required for decisions
- formal inclusion in our rules of the role: president.

If members accept such changes to the rules they will be invited to ratify the appointments of president and officers for 2011. The committee proposes:

President	John Ewer
Chairman	John Hicks
Secretary	Catherine Bennett
Events manager	Marion Miller
Treasurer	Suzette Darby.

Each proposed officer will then recruit and manage a team to share the work in their area of responsibility. Most members have offered to contribute to our success - expect to be approached with an appropriate 'opportunity' soon!
